Welcome to the world-leading exhibition!

transport logistic 2019
Leading. International. Connective.

Heading for new successes: being the world's leading trade fair for logistics, mobility, IT and supply chain management, in 2019 transport logistic will again offer tremendous opportunities and possibilities.

The figures also prove this: having attracted more than 2,100 exhibitors and over 60,000 visitors, the last edition already chalked up new records. And we are all set to again exceed these in 2019. transport logistic 2019 therefore is the perfect opportunity to discover all relevant new developments, get a detailed picture of the market and do profitable business!

air cargo Europe: where the airfreight industry meets

exhibition and conference

air cargo Europe 2019 is the right place to discover the latest trends and developments in the air freight industry. Its combination of exhibition and conference ensures concentrated knowledge transfer!

Everything needed to start a successful career in a thrilling industry

At the Career Day of transport logistic 2019, well-known companies will wait for career starters and young professionals with training, job and career offers. **Date: Friday, June 7, 2019.** Look forward to interesting company presentations, personal live interviews and fascinating speeches. Arrange a meeting with your preferred company now:
